Dear Potential Sponsor,

Our annual conference, Back To Your Roots 2019, will take place March 7-9, at Louisiana Tech University South Campus. Our theme this year is *Food Leading Change* and we are looking to raise \$10,000 to cover the cost of putting on the event.

**We cannot meet our goal without the help of companies like yours!**

That is why I am writing to you. Would you consider making a donation to help sponsor our event? By sponsoring, you are helping us to:

1. Inspire a new generation of farmers and give them the tools to be successful.
2. Educate the public on the environmental, economic and social benefits of organic production and the mutually beneficial programs provided by USDA Natural Resources Conservation Service to help people to help the land.
3. Advance sustainable agriculture as a tool for community revitalization in parishes facing persistent poverty by rebuilding the local food system and supporting other creative placemaking initiatives.

Enclosed is a fact sheet that provides more information on our organization, programs and sponsorship levels. In appreciation of your anticipated sponsorship, we would like to offer you annual publicity for your organization at the conference, upcoming festival and other ongoing events throughout the year.

Thank you for your time and consideration. We hope to see you at Back To Your Roots 2019!

Sincerely,

A handwritten signature in black ink that reads "Donna Isaacs". The signature is written in a cursive, flowing style.

Donna Isaacs, Executive Director  
Campti Field of Dreams, Inc.

P.S.: Last year's event attracted 388 participants over three days. The conference agenda now available online has the potential of selling out the venue.

## Fact Sheet

### Who We Are

Founded in 2001, Campti Field of Dreams is a Louisiana nonprofit organization dedicated to fighting persistent poverty by growing food, farmers and the fabric of our rural communities. We collaborate with local, state and federal partners to fight persistent poverty through sustainable entrepreneurship and creative placemaking initiatives.

### What We Do

Campti Field of Dreams operates the Campti Historic Museum: a museum celebrating the rich cultural heritage on Campti and the surrounding community, and Tallawah Farm: a 25-acre Sustainable Agriculture Demonstration Farm. Campti Field of Dreams also conducts outreach for the United States Department of Agriculture Natural Resources Conservation Service.

Each year we host:

- 1) Twelve parish-wide outreach meetings throughout the State of Louisiana to share information on technical and financial assistance programs available through the United States Department of Agriculture, with emphasis on the Farm Bill and focus on parishes facing persistent poverty.
- 2) Back To Your Roots Conference: A Sustainable Agriculture Master Series (March 7-9)
- 3) An Art & Agriculture Festival (June 22)
- 4) A Two-week Youth Agripreneurship Summer Class (Tentative Date: June 10 – June 22, 2019)

Weekly during the season, we participate in the Ruston Farmers Market and we operate the Campti Marketplace. The Museum also facilitates a quilting group, art classes and hosts Campti Community Development Center's Seniors Program.
