Job Description			
<p>ROLE AND RESPONSIBILITIES</p> <p>Campti Field of Dreams is dedicated to improving the quality of life for citizens in rural Louisiana through sustainable entrepreneurship. The organization was recently awarded a USDA Natural Resources Conservation Service Conservation Innovation Grant to help 20 historically underserved farmers become viable agricultural producers within 3 years. Campti Field of Dreams seeks an individual who is a servant-leader, passionate about the health and wellbeing of farmers, their communities, and the natural resources that sustains us, to join the team in this transformational work.</p> <p>The project manager performs various program activities including developing, implementing and maintaining the management systems, policies and procedures; sampling, compiling, and analyzing, soil health data for reports. They may act as primary liaison with participants, suppliers and contractors in the absence of the executive director.</p> <p>QUALIFICATIONS AND EDUCATION REQUIREMENTS</p> <p>A bachelor's degree from an accredited four-year institution or equivalent work experience. Preference will be given to a candidate with degree in agriculture or management.</p> <p>PREFERRED SKILLS</p> <p>The ideal candidate will exhibit excellent leadership skills, along with good communication, interpersonal, problem-solving, and time-management skills.</p> <p>ADDITIONAL NOTES</p> <p>Proficient in Microsoft Office Suite, QuickBooks, Adobe Creative Suite and Zoom.</p>
